Pipeline Safety TRUST

Credible. Independent. In the public interest.

Pipeline Safety Indicator & Transparency Forum
Trust at the National Level

Trust = $f$ (Transparency & Accountability)

- Jurisdictions / Regulators – multiple
- Pipeline operators – multiple
- Pipelines – multiple sizes / types / products
- Stakeholder Interests – varied
- Reporting Standards - varied
Transparency & Trust:

**THE SEVEN ELEMENTS ARE:**

1. **MOTIVATION**
   - Act in a manner that is ethical and consistent with stakeholder interests.
   - Share information that is truthful, objective, reliable and complete.

2. **DISCLOSURE**
   - Share publicly all information, both positive and negative.

3. **STAKEHOLDER PARTICIPATION**
   - Engage those interested in your activities or impact.

4. **RELEVANCE**
   - Share information stakeholders deem relevant.

5. **CLARITY**
   - Share information that is easily understood and easily obtained.

6. **CREDIBILITY**
   - Share positive and negative information that supports informed stakeholder decision-making and operate with integrity.

7. **ACCURACY**
   - Share information through a variety of channels.
