Where are we from?
Introductions
Thanks for helping citizens participate!
Thanks to PHMSA for supplying the live webcast!

And welcome to the hundreds of people that this webcast allows to watch from afar.

Send your questions during webcast to questions@pstrust.org
Thank You
Why are we here? Last Week

B.C. pipeline rupture causes natural gas shortage, soaring gasoline prices

Risk of power outages in Puget Sound after Canadian pipeline explosion cuts off natural-gas supply

Gas pipeline blast cancels garbage pickup, gasoline price spikes expected
Dozens of gas blasts rock Boston suburbs, killing at least one, injuring 12
Ongoing Lack of Trust partly from not discussing the Gorilla in the room
End the Arms Race

Campaigns fail if they waste resources courting voters who are unpersuadable or already persuaded. Their most urgent task is to find and persuade the few voters who are genuinely undecided and the larger number who are favorably disposed but need a push to actually vote.

— James Surowiecki —
