Short Bio

Carl Weimer is the Executive Director of the national Pipeline Safety Trust. He also serves on the Governor appointed Washington State Citizens Committee on Pipeline Safety, as a member of the U.S. Department of Transportation's Technical Hazardous Liquid Pipeline Safety Standards Committee, and the steering committee for the Pipelines and Informed Planning Alliance. Mr. Weimer has testified to both the U.S. House of Representatives and Senate on pipeline safety issues, organized four national pipeline safety conferences, pushed for stronger pipeline safety legislation on the national and state level, runs the national Safe Pipelines and LNG Safety listserves that include over 700 people from around the country, and regularly serves as an independent source of pipeline safety information for news media, local government, and citizens around the country. Mr. Weimer was re-elected in 2009 to his second four-year term on the Whatcom County Council. He has a degree in Natural Resources and Environmental Education from the University of Michigan, as well a degree in Industrial Electronics Technology from Peninsula College.
