

PROTECTING AIR & WATER through pipeline leak detection

MAY 18 + 20 2021

A two-part webinar hosted by
Pipeline Safety
TRUST

Hear from **Hon. Tristan Brown**, PHMSA's new Acting Administrator about his and the Biden Administration's priorities for the agency.

Hear from **Hon. Senator Natasha Marcus** from North Carolina about how a pipeline disaster has affected her district and what she hopes to do about it.

1 Methane Emissions and Advanced Leak Detection

MAY 18 9-11am PDT

In our first session, we will discuss **methane**, a potent greenhouse gas, and the new Congressional mandate that pipeline operators begin to eliminate methane emissions.

KEYNOTE

Hon. Tristan Brown
Acting Administrator
PHMSA
