## Media Coverage of 2022 Pipeline Safety Trust Conference

We ask that members of the media who wish to attend the conference register at the rate we extend to interested members of the public, this year, \$100.

If your organization cannot afford the registration fee, we can work on providing a scholarship for your attendance.

### **We ask that members of the press attending the conference abide by these constraints:**

1. No flash photograph in the conference sessions, breaks, or meals
2. All interviews with attendees should be held outside the conference sessions
3. No video recording during the sessions; the sessions will be livestreamed and recordings will be made available on our website as soon as possible after completion
4. Any photographs during the sessions must be taken in a manner that does not disrupt the proceedings of the conference
5. If you are seeking a quote or interview from a PST staff member, please send your inquiries to Communications & Outreach Director Kenneth Clarkson who will get you a response or set up a time to chat with a relevant PST staff member.
6. Please use the hashtags: #2022PSTConference and #pstrust on social media posts you make while attending the conference. Please tag @pstrust on Twitter and Facebook, and @pipelinesafetytrust on Instagram

Please contact Communications & Outreach Director Kenneth Clarkson, [kenneth@pstrust.org](mailto:kenneth@pstrust.org), if you have any questions.

We look forward to seeing you in New Orleans!
